Part – A

The academic year commenced with the IQAC meeting on 12th Of June 2006 in which following activates are proposed for quality assurance during the academic year 2006-07

1. Constitution of Grievance redressal cell.
2. Computerization of college office and library.
3. To provide internet facility to few departments of the college.
4. To motivate the faculty members for the submission of research projects.
5. To propose the estimate for girls hostel building to the UGC.

Part B:

1. Activities reflecting the goals and objectives of the institutions:

- Teachers were encouraged to attend the seminars and conferences to enrich their knowledge.
- NSS students participated in various camps to develop the leadership and social awareness.
- The lectures were arranged by inviting distinguished personalities in various fields to enlighten the students' minds with their valuable thoughts.
- Seven teachers were newly appointed in different subjects to fulfill the departments.

2. New Academic Programme Initiated (UG and PG)

In pursuance to the suggestions of NAAC Peer team our College introduced one new degree course in management stream namely Bachelor of Business Administration (B. B. A.)

3. Innovations in Curricular Design and Transaction:

As the college is affiliated to the S. R. T. M. University, there is very little scope for the college in curricular design. Still few of the faculty members of college are on the BOS of various subjects and are actively engaged in innovative curricular design.

For effective transaction various innovative means are used. For example few of the faculty members use the OHP slides as teaching tool to help the students in better understanding the subject and make the learning joyful.

4. Interdisciplinary Programmes Started : Nil

5. Examination Reforms Implemented

The college is one of the very few affiliated Colleges of The SRTM University Nanded, which already have in place a healthy education and evaluation process. In support of that college has its own continuous evaluation practice through class tests, term exams, assignments oral feedback etc.

6. Candidates qualified: NET/SET/GATE, etc.:

College does not have any formal mechanism for collecting the statistical information year wise in this regard.

7. Initiative towards Faculty Development Programme:

For Staff enrichment personalities in different subjects are invited to give talks on general topics such as presentation skills and interactive classroom activities. Faculties are

encouraged to participate in workshops, seminars and conferences to cope with recent advances in their respective fields.

- The students evaluate the yearly performance of teachers and teachers are given the report for pursuit and improvement.
- Teachers are encouraged to undertake research activities in their area of interests which helps them to update their knowledge in the subject.
- Our faculty members attended Seminars / Conferences for the improvement and up gradation of their knowledge.
