PART – A

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year:

1. Encouragement to the teachers to improve their qualification.
2. Upgradation of Library facilities.
3. Constitution of research committee to formalize research activities:
4. Encouragement of staff for research publication.
5. Free access to Internet to students and staff.

PART -B

1. Activities reflecting the goals and objectives of the institutions:

The details regarding the achievements of the institute over the years are given as under. Keeping in mind the goals and mission of the institution we follow certain principles. These are:

➤ **A) To provide value based and holistic education to the students of Marathwada region so as to make them ideal citizens for tomorrow.**

Our college has completely banned private coaching by our teachers, so that they can devote all their energy for the development of the college. It is a matter of pride for all of us that in our college, selection of teachers is done on the basis of merit alone. In order to develop overall personality of the students, we regularly arrange Lecture series on socially relevant subjects for which we invite not only academicians but also politicians and social reformers.

The objectives of the college are framed so as to cultivate an atmosphere to enhance the accountability of students for their studies, teachers for their teaching and research and the institute as whole to the quality of education keeping in mind the mission of the institution.

1. Organized Sports Competition.
2. Arranged Remedial Coaching Classes.
3. Organized Group Discussions on different topics.
4. Organized General Knowledge (GK) Tests.
5. Organized Students' Seminar of UG Final Year students.

➤ **B) To enable the student to meet the challenges and hazards of the competitive age of globalization and information technology.**

To provide quality teaching and learning resources and to utilize audio-visual aids by making our teaching methodologies more effective and learner-centered. Departments have been given full freedom and are encouraged to be proactive and innovative in improving upon existing curricula, introducing new courses and methods of teaching. Regular review and up-gradation are a continuing process and are actively adopted by the different Departments of the Institute.

1. Inculcated use of ICT in learning resources.
2. Assigned students' projects in Environmental Science and Commerce.
3. Conducted classes for Competitive Exams.
4. Delivered lectures on self-employment and entrepreneurship.

➤ **C) To imbibe the ideals of tolerance, peace and secularism in the minds of the students.**

Most of the students in our college are admitted from rural and backward society and they may feel hesitant especially if they do not have much exposure to people from different surroundings. This makes difficult for the students to live, learn and work in communities that will become even more diverse. The success of students in today's world and tomorrow depends on being able to understand and appreciate the work with others. Therefore our college management and faculty members try to inculcate the tolerance among the students.

Education can make learning a joyful and meaningful experience. "The supreme end of the educative process should be the training of the character and personality of students in such a way that they will be able to realize their full potentialities and contribute to the well-being of the community".

To assert the freedom of religion, and freedom from religion, which helps to a belief that human activities and decisions should be based on evidence and fact, and not superstitious beliefs, no matter how devout he is that policy should be free from religious domination. Therefore our college organizes lectures to overcome the problems of superstitious belief and maintain communal harmony etc to nurture the unity in diversity in the students and society at large.

1. Celebrated Rashtriya Sadbhavna Diwas.
2. Celebrated International Human Rights Day on 10th December.
3. Celebrated Mahatma Gandhi Birth Anniversary on 2nd October.
4. Celebrated Guru Nanak Birth Anniversary on 7th January.
5. Celebrated Savitribai Phule Birth Anniversary on 4th January.
6. Celebrated Dr. Babasaheb Ambedkar Birth Anniversary on 14th April.
7. Celebrated Chhatrapati Shivaji Maharaj Birth Anniversary on 18th February.
8. Celebrated Annabhau Sathe Birth Anniversary on 1st August.

9. Students actively participated in Ganesh Idol Immersion Procession and maintained law and order and extended cooperation to Police machinery as *“Police Mitra”*

➤ **D) To promote the character building and personality development of the students through curricular and extra-curricular programmes.**

Students and teachers are constantly directed to shed narrow and parochial loyalties and prepare themselves to serve the society and the world. Through social work and extension programme, students learn to help the under privileged and the unfortunate.

1. A set of special study material is given to meritorious students.
2. Ran coaching classes for various Competitive examinations.
3. Workshop organized on Soft Skills and Personality Development.
4. Organized Debate and Elocution Competition.
5. Organized Essay Writing Competition.

➤ **E) To inculcate in the minds of our youth a sense of discipline, sincerity, punctuality, integrity as well as a commitment to nation and society at large.**

1. In collaboration with RTO Essay Writing and Poster Presentation Competition was organized.
2. Students and Faculty Members extended their services to the Police Machinery by working with them as “Police Mitra” in various cultural and other activities.
3. Organized AIDS Awareness Programme for the students.
4. As part of community services, we organize through NSS, various socially useful activities such as blood donation, tree plantation, rural cleanliness drive, health and hygiene in rural areas and in the slums of Nanded township.
5. Students are made sensitive to and aware of the problems of the people living around them in society.

6. Students are given an opportunity to listen to experts in various disciplines in workshops and seminars.

7. Earn and Learn scheme is one of the unique features of the college

➤ **F) To make the institution a premier center of learning where equal motivation is provided both to the teachers and the taught so that teaching and learning becomes an effective mission.**

The Institute has made all efforts to reach different segments of the Society.

1. Students who are economically weak are given scholarships and special efforts are made by the faculty members to motivate them to excel.

2. Teaching skills of the teachers were improved by recording their video lectures and assessed their performance with the help of peers.

3. Organized Remedial Teaching Classes for the slow-learners.

4. Encouraged faculty to undertake Research Projects sponsored by different Funding agencies.

The above goals and achievements are reflected in the entire curriculum at all levels of study from undergraduate to Ph.D. programmes. Attempts have been made to examine how moral and ethical issues may be incorporated into the teaching programme in an integral way. Each discipline has seriously deliberated on this subject and come out with concrete results.

2. New Academic Programme Initiated (UG and PG) : Nil

3. Innovations in Curricular Design and Transaction:

The syllabus has been revised by the university in the last academic year itself. In this year minor modifications are suggested by faculties are implemented. But in case of transaction the college has suggested changes like use of ICT. Faculty members prepared the teaching plans by considering the use of IT resources in their teaching plans for better transaction with the students.

4. Interdisciplinary Programmes Started : Nil

5. Examination Reforms Implemented

The SRTMU University, Nanded has made the examination reforms. MCQ pattern exam is introduced for first year students in all the faculties. The university has suggested the college to conduct two internal exams in each semester at college level. Along with this, the College follows the continuous evaluation of the students in the class tests and oral feedback at the end of class.

6. Candidates qualified: NET/SET/GATE, etc.:

Many of our students appear and qualify in the above-mentioned examinations after graduation. Their entire data of passing is not available in the college record because all the students do not remain in touch with the institution. So the institution is unable to provide complete data.

7. Initiative towards Faculty Development Programme :

Teachers regularly attend the Refresher and Orientation programs to upgrade the subject knowledge. They also actively participate in the seminars, conferences, workshops etc to be in touch with the reforms happening in their respective subjects. They are encouraged to participate in summer/winter trainings, and other academic events in other institutes.
