PART - B

1. Activities reflecting the goals and objectives of the institutions:

The details regarding the achievements of the institute over the years are given as under: Keeping in mind the goals and mission of the institution we follow certain principles. These are:

➤ **A) To provide value based and holistic education to the students of Marathwada region so as to make them ideal citizens for tomorrow.**

In keeping with last year's motto our college has been keeping a check on private coaching by our teachers, so that they can devote all their energy for the development of the college. We regularly arrange Lecture series on socially relevant subjects for which we invite not only academicians but also politicians and social reformers.

Keeping in mind the missions of the institution the objectives of the college are framed to cultivate an atmosphere to enhance the accountability of students, teachers and the institute as whole to the quality of education.

1. Organized Sports Competition.
2. Arranged Remedial and Curative Coaching Classes.
3. Organized Group Discussions on different topics.
4. Organized General Knowledge (GK) Tests.
5. Organized Students' Seminar of UG Final Year students.

➤ **B) To enable the student to meet the challenges and hazards of the competitive age of globalization and information technology.**

Departments have been given full freedom to provide quality teaching by utilizing audio-visual for making it more learner-centered and are encouraged to be proactive and innovative in improving upon existing curricula, introducing new courses and methods of teaching.

1. Inculcated use of ICT in learning resources.
2. Assigned students' projects in Environmental Science and Commerce.
3. Conducted classes for Competitive Exams.

4. Delivered lectures on self-employment and entrepreneurship.

➤ **C) To imbibe the ideals of tolerance, peace and secularism in the minds of the students.**

Students hailing from rural and backward society do not have much exposure to people from different surroundings. The success of students in today's world and tomorrow depends on being able to understand and appreciate the work with others. Therefore our college management and faculty members try to inculcate the tolerance among the students.

To assert the freedom of religion and freedom from religion our policies should be free from religious domination and clarity of mind. Therefore our college organizes lectures to overcome the problems of superstitious belief and maintain communal harmony etc to nurture the unity in diversity in the students and society at large.

1. Celebrated Rashtriya Sadbhavna Diwas.
2. Celebrated International Human Rights Day on 10th December.

5. Students are made sensitive to and aware of the problems of the people living around them in society.
6. Students are given an opportunity to listen to experts in various disciplines in workshops and seminars.
7. Earn and Learn scheme is one of the unique features of the college

➤ **F) To make the institution a premier center of learning where equal motivation is provided both to the teachers and the taught so that teaching and learning becomes an effective mission.**

The Institute has made all efforts to reach different segments of the Society.

1. Students who are economically weak are given scholarships and special efforts are made by the faculty members to motivate them to excel.
2. Teaching skills of the teachers were improved by recording their video lectures and assessed their performance with the help of peers.
3. Organized Remedial Teaching Classes for the slow-learners.

4. Encouraged faculty to undertake Research Projects sponsored by different Funding agencies.

The above goals and achievements are reflected in the entire curriculum at all levels of study from undergraduate to Ph.D. programmes. Attempts have been made to examine how moral and ethical issues may be incorporated into the teaching programme in an integral way. Each discipline has seriously deliberated on this subject and come out with concrete results.
